Supervised Parenting Time Services  
*A Bridge to your Family's Future*

Social Enterprise for Canada strives at all times to provide its supervised parenting time services in a way that respects the dignity and independence of people with disabilities. We are also committed to giving people with disabilities the same opportunity to access our supervised parenting time services and allow them to benefit from the same services, in the same place and in a similar way as other service users.

Peel and York Region Access Centers are committed to excellence in serving all participants including people with disabilities and we will carry out our functions and responsibilities in the following areas: communication, telephone services, assistive devices, billing, use of service animals and support person, and notice of temporary disruption.

Feedback regarding the way SEC provides goods and services to people with disabilities or questions regarding SEC's policy can be made in person, by telephone, in writing or by delivering an electronic text by email, storage device other reasonable methods.
