

SUPERVISED PARENTING TIME PROGRAM VOLUNTEER APPLICATION

Social Enterprise for Canada is a not-for-profit agency that has been delivering supervised parenting time and exchange services since 1992. Our Peel and York region programs help parents and extended family members build or rebuild relationships with their children in a safe, neutral, and conflict-free environment.

As a volunteer, you will play a meaningful role in supporting families during challenging times, while gaining hands-on experience in areas such as child welfare, conflict resolution, and family services, ideal for those pursuing careers in social work or related fields.

All volunteers receive comprehensive training and become part of a supportive, collaborative team committed to making a positive difference in the lives of children and families.
